

SECRET

25X1

November 25, 1970

TO: Amembassy Paris
FOR: Ambassador Watson
FROM: Henry A. Kissinger

Many thanks for your November 24 message concerning your luncheon with DeBre. It is good to hear of his warm attitude toward the U.S. and his appreciation for the American presence at the General's memorial service. As you know the trip was a moving event for us all.

Warm regards,
